

Madison was born and raised in Cleveland, Mississippi, and graduated from Bayou Academy in 2020. She began her college journey at Itawamba Community College, where she earned her associate's degree while playing softball. She then continued her athletic and academic career at Mississippi College, completing her softball eligibility and earning a bachelor's degree in Kinesiology.

In her free time, Madison enjoys giving softball pitching lessons and will be assisting the Bayou Academy softball team during the 2025 season. She also loves spending time with her family and friends and enjoys a variety of outdoor activities.

We're excited to have Madison on board as a Physical Therapy Tech and look forward to the energy and experience she brings to our team!
