

Gracie was born in Cleveland, MS, and raised just outside of Drew. A 2020 graduate of Bayou Academy, she went on to earn her Associate of Arts in Pre-Allied Health from Mississippi Delta Community College in 2022. This past May, she completed her Physical Therapist Assistant program—also at MDCC—and has officially passed her board exam to become a licensed PTA!

Gracie is excited to begin her career with Advance Physical Therapy and looks forward to the opportunities ahead. She shares, "I can't wait to see how the Lord will continue to shape my path and future with APT. I'm incredibly thankful for this opportunity and look forward to serving our community."

In her free time, Gracie enjoys spending time with her husband and family, as well as playing with their dogs.
